

19th Annual Hawai'i Government Contracting Forum

The 19th Annual Hawaii Government Contracting Forum will be held on August 14, 2024 from 7:30 AM to 3:00 PM at the Honolulu Country Club. The event will bring together representatives from various City, State, and Federal government agencies to discuss contracting opportunities to small businesses interested in doing business as a government contractor.

This is a great chance for small businesses to learn about government contracting opportunities for small businesses, connect with technical assistance providers, and meet one-on-one in matchmaking sessions with contracting representatives and resource partners.
